ORDER NO. L. 6237-45—L. B. 118-24-20, DATED 7TH APRIL 1928.

The President of the District Board, Shimoga, brought to the notice of Government the hardship and inconveniences caused to the heirs of deceased Local Board Bond holders of small denominations of Rs. 100 and 200 in their being required to obtain succession certificates from a court of law before such bonds and orders can be transferred to them. He therefore proposed that the Presidents of District Boards may be empowered to transfer such bonds and ad-interim orders of the denominations not exceeding Rs. 1,000 in value on the authority of a certificate granted by the Amildars and countersigned by the Deputy Commissioners without the production of a succession certificate from a Court of Law.

The Government promised to consider the same sympathetically after ascertaining the views of the other District Boards in the matter. With the exception of the District Board of Chitaldrug all the others are in favour of the proposal, while the District Board of Kolar has already adopted the same.

Government consider that wherever District Boards agree action as proposed above may be taken subject to a maximum of Rs. 1,000 in each case, the procedure prescribed in Section 189 of the Government Securities Regulation 1925, being followed, in so far as it is applicable.

R. RANGA RAO,
General Secretary to Government.
